

PS700

12V Booster Pack

POWER Start™

The most popular unit as used by, amongst others, the UK's leading national recovery operator, for multiple starts on most 12V vehicles.

1 CABLES & CLAMPS
25mm² welding grade cables with fully insulated cable clamps

2 DOUBLE SKINNED CASE
For increased durability

3 MAIN SWITCH
Key operated main switch

POLARITY WARNING
Audible reverse polarity warning buzzer

SPIKE PROTECTION
Prevents damage to onboard circuitry when jump-starting

DESIGNED & MANUFACTURED IN THE UK

2 YEAR WARRANTY
With full in-house after sales service

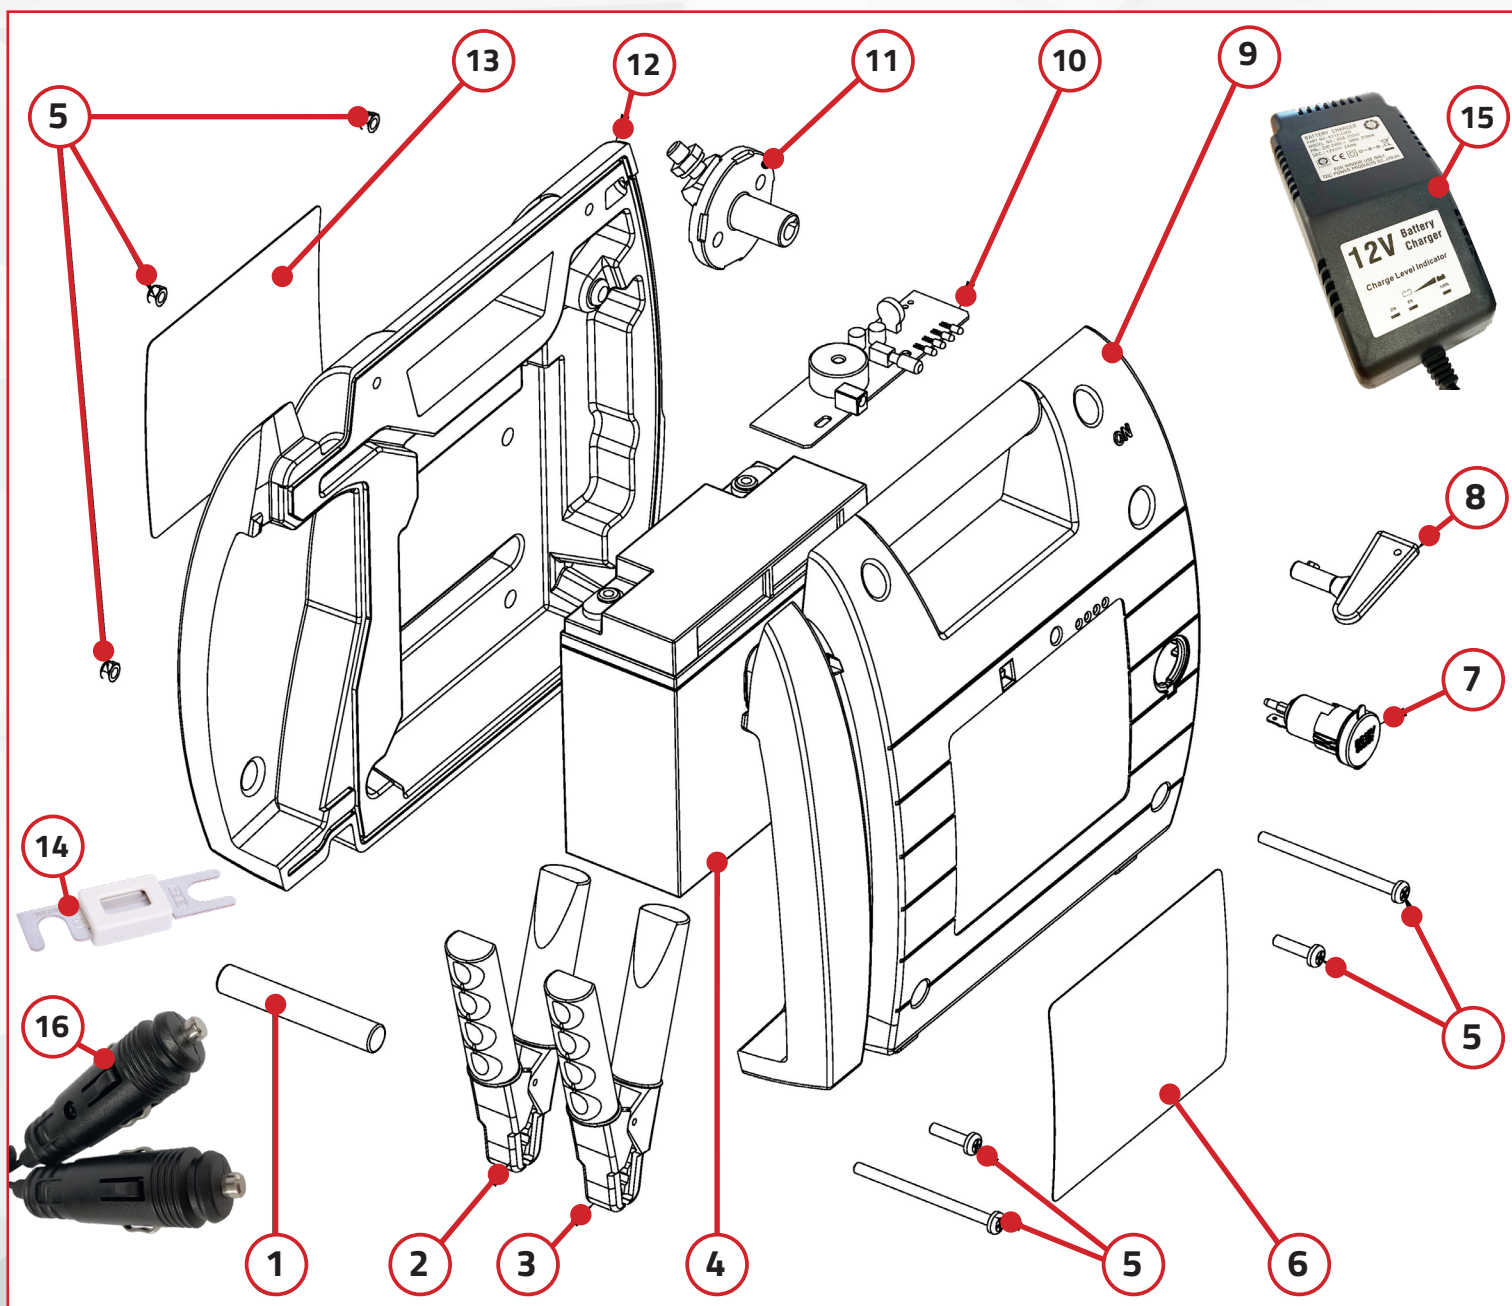

TECHNICAL SPECIFICATION

Battery	22Ah
Voltage	12V DC
Cranking Amps*	700A
Peak Amps**	1600A
Safety fuse	350A
Weight (kg)	9.5

FULL RANGE AVAILABLE

* The maximum current that can be drawn from a battery during cranking for a specified period of time, at a specified temperature & to a specified end of discharge voltage.
** The absolute peak instantaneous current measured during a discharge into the equivalent of a short circuit.

NO.	PART NO.	DESCRIPTION
1	N/A	Powerstart Clamp Bar
2	K212-C103	Powerstart Positive (Red) Clamp
3	K212-C104	Powerstart Negative (Black) Clamp
4	7066-0001	Powerstart 12V 22Ah B.B Battery
4a	K769-2016	Powerstart 12v 16Ah Enersys Battery
5	N/A	Powerstart Housing Bolts & Nuts
6	7500-0131	Powerstart Front Housing Label
7	K205-C210	Powerstart 12V Cigar Socket
8	K201-K001	Powerstart Switch Key
9	*	Powerstart Housing Front
10	5851-0008	Powerstart Printed Circuit Board (PCB)
11	K212-S032	Powerstart Switch
12	*	Powerstart Housing Rear
9 & 12	7254-0014	Powerstart Front & Rear Housing Set

NO.	PART NO.	DESCRIPTION
13	7500-0129	Powerstart Rear Housing Label
14	5453-0001	Powerstart 425A Ceramic Fuse (to replace original 350A fuse)
*	7401-0010	Powerstart Fuse Braid
*	K205-L029-BOM	Positive Internal Link Lead M6/M10
*	K205-L048	Powerstart Standard 1.2m Positive Lead & Clamp Assembly
*	K205-L049	Powerstart Standard 1.2m Negative Lead & Clamp Assembly
*	K205-L037-BOM	Powerstart Extra Long 1.79m Positive Lead Assembly
*	K205-L038-BOM	Powerstart Extra Long 1.79m Negative Lead Assembly
15	K212-C050	Powerstart 12V 2Ah 3 Stage Charger
16	K205-L030	Powerstart 12V In Vehicle Charge Lead

PLEASE NOTE PARTS HIGHLIGHTED IN GREY SHOULD ONLY BE FITTED BY AN AUTHORISED OR QUALIFIED SERVICE AGENT, FITTING OF SUCH PARTS BY ANYONE OTHER THAN THE SERENCO SERVICE CENTRE MAY INVALIDATE YOUR WARRANTY. SERENCO (UK) LTD OFFER A FULL IN-HOUSE AFTER SALES SERVICE. PRICES QUOTED ARE CORRECT AT TIME OF GOING TO PRESS AND ARE SUBJECT TO VAT AND CARRIAGE.
